GTEC to Introduce Cutting-Edge National Security Solutions at ISC West Public Security & Safety Expo

MCLEAN, Va., March 9, 2010 – [Global Defense Technology & Systems, Inc.](http://www.gtec-inc.com) (NASDAQ: GTEC), a provider of [mission-critical](#), technology-based systems, solutions and services for national security agencies and programs of the U.S. government will introduce their automated watchstanding program, WatchIT®, and an integrated, model-driven intelligence analytics solution based on Cogility® Studio, at the [ISC West Public Safety & Security Expo](#) from March 23-26 in Las Vegas.

WatchIT® is a situational awareness solution that aggregates sensors, controls and information into an extensible, geospatially aware application for use in critical infrastructure protection, physical security information management and maritime domain awareness.

GTEC uses an intelligence analytics solution, Cogility® Studio, a model-driven software and data integration tool that enables the production and delivery of timely and actionable intelligence necessary for the Intelligence and Federal Law Enforcement communities to quickly and effectively respond to threats.

Demonstrations of WatchIT® and Cogility® Studio will run in the [GTEC booth #15142](#)

About Global Defense Technology & Systems, Inc.

Global Defense Technology & Systems, Inc. (GTEC) provides mission-critical technology-based systems, solutions, and services for national security agencies and programs of the U.S. government. Our services and solutions are integral parts of mission-critical programs run by the Department of Defense, Intelligence Community, Department of Homeland Security, federal law enforcement agencies, and other parts of the federal government charged with national security responsibilities.
