## **Global Strategies Group awarded \$11M US Navy management and control systems contract**

**VIRGINIA BEACH, Va., June 9, 2008** - Global Strategies Group (North America) Inc. has been awarded a \$10,636,713 indefinite-delivery/indefinite-quantity, cost-plus-fixed-fee, performance-based contract to provide software engineering, system integration, upgrade and testing of network and sensor management and control systems onboard ship and at shore facilities, including associated engineering, technical, and logistics support services. This contract includes options which, if exercised, would bring the cumulative value of the contract to an estimated \$73,874,128. Work will be performed in Charleston, SC (70 percent) and San Diego, CA (30 percent) and is expected to be completed by May 2009. If all options are exercised, work will continue until May 2013. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured under full and open competition. The Space and Naval Warfare Systems Center Charleston is the contracting entity (N65236-08-D-5801).
