## **Global Strategies Group awarded \$10M Naval Research Laboratory contract**

**VIRGINIA BEACH, Va., August 7, 2008** - Global Strategies Group (North America) Inc. has been awarded a \$9,910,834 cost-plus-fixed-fee contract for the research, development and applications-oriented activities in the generation of sensing systems, integrated optics and communication systems. The contract, which will enable the modern warfighter to counter threats more effectively, incorporates the development and deployment of optical techniques, devices, and measurements. The contract contains options, which if exercised, will bring the total contract value to \$52,879,393. Work will be performed in Washington, D.C., and is expected to be completed by July 2009.

This contract was competitively procured under a Request for Proposal No. N000173-08-R-JR03, with one offer received. Naval Research Laboratory, Washington, D.C., is the contracting entity (N000173-08-R-JR03).
