The Analysis Corporation Secures Major Counterterrorism Contract for Integrated Analytical and Operational Support Services

McLean, VA – November 25, 2008 – The Analysis Corporation (TAC), a wholly-owned subsidiary of Global Strategies Group (North America) Inc. and a leading provider of innovative, high-impact counterterrorism solutions and services, has been awarded a major contract to provide intelligence expertise and support services to assist in the fight against terrorism. Under this new agreement, TAC, together with its teammates, will provide experienced intelligence analysts and information technology staff to help protect the United States from the threat of transnational terrorism. The five year contract further strengthens TAC's presence within the Counterterrorism Community.
